Unconditional Love

As we come towards Easter, we have the chance to be reminded of what God has done for us. It is because of God's love for us that he sent Jesus into this world to die for us. This is something which even with the best intentions we can take for granted and forget the awesomeness. For all of us it is good to take time to be thankful and also to rejoice in the promise of eternal life. Jesus came into this world to save all of us.

When we look at our world today, we see that it is a broken place. God loves us unconditionally and this world needs to receive that love today. The world needs to know that God's love is available and by accepting Jesus as our Saviour we can receive his promise of eternal life. Therefore, in this season there are things we can be doing. We need to be praying for all the different events taking place over Easter and for the way in which God's love can be shown to others. During Holy week we will be having the church open in the evenings for a prayer space to offer the chance for people to come in to pray and reflect. As well as this we will be having a family service on Palm Sunday

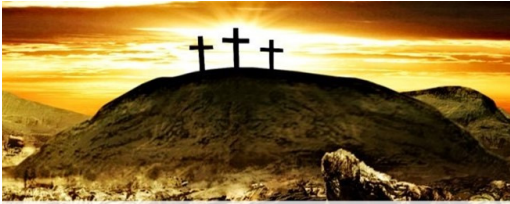

and a special Messy Church on Maundy Thursday. These may be different ways of communicating the gospel, but the message will still be the same.

At this time of year we need to remember more than ever that we have a message of good news to proclaim. Our challenge is to continue to hold to the words of Jesus in [Mark 16:15](#) 'Go into all the world and preach the gospel to all creation.'

God bless,

Chris
