Harvest the Opportunities

Over the next few weeks there are significant opportunities for outreach coming up. We will have the harvest weekend, with the harvest tea and harvest family service. These remind us of the importance of being thankful, but also sharing this message with others about why we can be thankful. As well as this there will be the international evening the following week. God is a God who gives good gifts to us and is at work in every place.

In our evening services, we have begun our journey through the book of Ephesians. At the very beginning of this book we are reminded about the idea of being a chosen people. In Ephesians 1:4 we read the words - *For he chose us in him before the creation of the world to be holy and blameless in his sight.* This tells us firstly of God's love for us. By sending Jesus into this world, he enables us to become blameless in his sight. The fact that we were chosen before the creation of the world shows God's awesomeness and knowledge also, it reminds us of our duty to God. He has chosen us for his purposes.

God chooses each one of us to be used for him and his purposes. Of course, it will be different for all of us as we all have varied gifts and opportunities. In all the places we are called to and the situations which we face God is using us. It should remind us how every conversation and every relationship can have an impact for God. To be as effective as possible for God we should look to commit each day to him and pray that we will respond to the opportunities presented to us.

God bless,

Chris
