Lliswerry Baptist Church

*Go .....Go..... GO!*

In this new year, one of the themes we will be looking at is that of discipleship in Luke's gospel. This has particular relevance for us for this coming year. At the January church meeting, we began to think about the possibilities with regard to mission. Jesus gives us the call in Matthew 28:19 to 'Go and make disciples of all nations.' That call still applies to us today.

To make disciples means that we are to look beyond ourselves, and consider how those outside the church can be reached for Jesus. There are opportunities for the church to do this within our local community and further afield. Last year we were able to embrace new people into our fellowship and continue to build on existing connections. It has been good to see the continued growth of the activities happening in the week and the number of people of all ages coming in through our doors. The conversations which take place here may sometimes seem insignificant, but we should always be encouraged that seeds can be sown through this and we never know when these will grow. Therefore, remain alert to the positive things which are happening in our community and continue to pray.

As well as this, there is the opportunity for a group from the church to go to Poland with Out of the Ashes ministries later in the year. Please do pray about this, and whether or not God is calling you to be involved. The trip would provide the opportunity for both evangelism and discipleship and would be of great benefit to those ministering from our fellowship and also those to whom they are ministering. We look forward with hope and optimism to what God will do in the coming months.

God bless,  
 Chris

## Car Parking

Please when parking your car when visiting the Church could you avoid:-

- ◆ Leaving your car parked on the pavement outside the church. It is difficult for people using walking sticks / frames and wheel chairs to access the church via the pavement and It also makes it difficult for neighbours to use their driveways.
- ◆ When using the Church car park please park within the white lines so we can maximise the space we have available.
- ◆ If you do park in a position that blocks other cars from leaving please leave promptly after the service to avoid delaying others.

### ST. DAVID'S DAY CELEBRATION

The evening service on March 1st will be a celebration of Welsh hymn tunes (not Welsh words!) The choir will also be contributing some lovely Welsh melodies.

Please come and celebrate the tradition of Welsh gymanfa ganu and enjoy singing the beautiful tunes and wonderful words associated with these hymns. A wonderful way to praise God on our special day.

Please invite any friends and family who would enjoy this service.

The well known Christian singer and song writer Ishmael will be visiting Lliswerry on 15th February. Please invite friends and family to what will be a great fun evening of Praise and Worship.
